Handpaw Pattern

Cut after applique step.

(To ensure enough room, allow a 2 fingers-width space in the pattern for each digit.)

Cut after applique step.

(During applique step, leave open at bottom, zigzag around perimeter, stuff, and then close up.)

Cut after applique step.

Extend cuff to about mid-forearm to ensure good coverage.

(to ensure enough room, allow the width of the palm, flat with fingers together, through the wrist area)

Cut 2 (a left and a right) to decorate as the palms.
Cut 2 as the back of each hand.
